SUMMARY

Social media content machine with six years of high-volume, in-house short-form video. I shoot, edit, and publish across Instagram, TikTok, and Facebook, then amplify it with influencer partnerships and paid media to turn views into sales. Journalism-trained storyteller, built to deliver results like these:

2026 Insta/FB Stats: **8M** organic views · **700K** unique viewers · **3x ROI** on ~$250K ad spend

PROFESSIONAL EXPERIENCE

Digital Content Creator & Social Media Manager — Seymour of Sycamore *2023 – Present*

- Created a viral product video that **sold out the featured paint**; my video content directly drives conversions.
- Grew Instagram by **10K** and Facebook by **9K** followers in 12 months, entirely organically with no paid boosting.
- Source, recruit, and manage about **20 influencers (15M combined following)** as their primary contact, negotiating partnerships, briefing tailored content ideas, and managing a **$150,000** influencer budget.
- Direct our marketing agency's monthly paid media plan across Google and Meta (~$250K ad spend, 3x ROI).
- Produce and direct all video and photo content from concept through edit, and report performance quarterly to the Marketing Director and CFO.
- Manage a direct report on the marketing team, mentor marketing interns, and partner with sales on B2B content.
- Live accounts: Instagram | Website

Social Media Specialist — Gold Eagle / 303 Products *2022 – 2023*

- Grew TikTok from **0 to 5K** followers and added **10K Instagram followers** in one year with viral organic product videos: educational feature-and-benefit content and DIY before-and-afters.
- Produced social video ads that outperformed traditional commercials on engagement and ROI.
- Managed a **$285,000** influencer marketing budget, building partnerships and optimizing collaborations for reach and ROI.
- Photographed the brand's products (product photography portfolio).

Digital Marketing Manager — KCommunications *2020 – 2022*

- Managed about 10 social accounts for five clients, including regulated industries (import/export and immigration services), posting daily or weekly.
- Filmed, edited, and produced photo and video content, and built content calendars that kept messaging consistent and audiences growing.

Video Editor — The Montana Kaimin Newspaper *2017 – 2020*

- Reported and produced weekly journalistic video for web and social media, and led a team of four videographers.
- **National Winner, SPJ Mark of Excellence Award** (Online/Digital News Videography, 2020) for "Where are the students? An enrollment investigation."
- **Editor and photographer** on a 7-person student crew for "Trash Talk: Montana's Recycling Challenge," a Montana PBS documentary named a **national winner** (Television In-Depth Reporting).
- Selected work: Enrollment Investigation | Art Talks | Ghost Hunt | Ducks
